

TERMS AND CONDITIONS FOR RENT WITH OPTION RENTAL

General Terms

The following are the terms and conditions applicable to rental, sales, and service of equipment from Advanced Test Equipment Corporation, Advanced Test Equipment Rentals, Advanced Test Equipment Sales, and Advanced Test Equipment Service. These entities herein after will be referred to as ATEC. It is agreed and understood that proper legal jurisdiction and venue resides in San Diego, CA for all agreements entered into henceforth. These terms and conditions will prevail over any similar or conflicting terms and conditions of customer.

It is the responsibility of the customer to provide a specific calibration interval on all equipment requested. If the customer does not provide a calibration interval, ATEC's Active Use Calibration Program will be used as a default.

ATEC uses simple acceptance of measured values when a decision rule is needed based on uncertainty data. ATEC does not offer statements of conformity as a decision rule.

Acceptance of equipment by customer constitutes the exclusive and binding agreement by the customer to be bound by these terms and conditions covering the purchase or rental of the goods, equipment and or service of such goods and equipment ordered. The term "equipment" means all hardware, software, firmware, manuals, accessories, options, pouches and containers related to the products set forth.

Customer will be in default thereunder if it fails to pay any sum due to ATEC within payment terms granted, or fails to timely perform any other obligation owing to ATEC or if any bankruptcy or similar proceedings under federal or state law are filed by or against customer. Upon the occurrence of any default ATEC will: (1) terminate the rental of all products or equipment rented to customer under any and all agreements, (2) require customer to assemble and return all such products and/or equipment, or repossess all such products and/or equipment, and (3) recover from customer all amounts payable hereunder.

ATEC does not have any duty to account to customer for the proceeds of any disposition of equipment subsequent to return or repossession. All rights and remedies of ATEC on default are cumulative and will be exercised simultaneously or successively. No waiver of any one default will waive any other or subsequent default.

Customer indemnifies and holds ATEC harmless for any damage done by rented or leased equipment to other equipment projects or personnel and will insure ATEC against any such liability.

Customer is responsible for all loss, theft, mysterious disappearance, and damage due to fire, flood, wind, or any other cause while equipment is in customer's possession or in transit via any common special carrier or courier.

Specific Terms and Conditions for Rent with Option agreements (R.W.O.)

1. Customer will be invoiced for possession of equipment, NOT use. The obligation to pay a R.W.O. agreement will commence on shipment date and terminate once equipment arrives back on ATEC's receiving dock, contingent upon equipment passing lab inspection and customer fulfilling original rental term, or customer exercising their purchase option and satisfying all payment obligations to ATEC for R.W.O. equipment.
2. The R.W.O. agreement will remain in effect after the original rental term has expired or until customer properly exercises their purchase option. If for any reason customer maintains possession of equipment after original rental term and has NOT exercised their purchase option, customer will be obligated to pay rent to ATEC for any subsequent billing periods that transpire.
3. Upon receipt of equipment, customer is obligated to notify ATEC within time allowed to report any equipment damage, failures, or discrepancies (SEE REPORTING DISCREPANCIES UPON RECEIPT OF EQUIPMENT).

4. ATEC is not responsible for any payment delays that result in assessment of penalties caused by, customer not receiving the invoice(s), ATEC not receiving payment from customer, or any other occurrences that result in payment delays. IT IS CUSTOMER'S SOLE RESPONSIBILITY TO INSURE THAT ATEC RECEIVES PAYMENT PRIOR TO THE EXPIRATION OF THE BILLING PERIOD TO AVOID PENALTY ASSESSMENTS.
5. Equity applied toward purchase price on one item of equipment is non-transferable and applies exclusively to that item, unless equipment is invoiced as a system or the equipment is replaced by ATEC due to equipment failure that is not due to customer abuse, negligence, or operator error.
6. Maximum equity accrual is 90% of the purchase price, unless otherwise agreed to in writing.
7. In the event customer decides NOT to exercise their purchase option, and returns equipment to ATEC as an end of rental, any accrued equity is forfeited by customer and cannot be applied to any subsequent rental agreements or transferred to any other equipment.

2. Customer may not exercise their option to purchase if there are any past due invoices or any other monies owed to ATEC.
3. Customer must notify ATEC in writing of their intent to exercise their purchase option.
4. INTENT TO EXERCISE PURCHASE OPTION DOES NOT CONSTITUTE A TERMINATION OF RENTAL.

 - a. Determine the end of rental date. The rental termination date will be on the last day of the current billing period, contingent upon customer fulfilling original rental term.

7. In the event customer defaults on payment for the sale invoice, ATEC will void the sale invoice issued to customer and reinstate the rental as a straight rental with no purchase option, and invoice customer for any lapsed, current, and future billing period(s) that transpire. All accrued equity will be forfeited and customer loses all purchase option privileges.

Security Deposits
