CREDIT CARD AUTHORIZATION FORM FOR EQUIPMENT RENTAL

Instructions: This form is to be completed and accepted by the authorized credit cardholder for the credit card information entered below. To avoid delays in processing your order, please fill in all blank spaces accurately and legibly. **Items identified with an asterisk are required to process your order.** Thank you.

Important Considerations from Advanced Test Equipment Corporations Terms and Conditions:

Security Deposit. A security deposit may be required to process your order. If a deposit is required to process your order, the ATEC agent will NOT proceed to process your order, until the cardholder has been notified and the security deposit is authorized by the cardholder.

Ship to and Bill to Addresses. For security purposes, the bill to and ship to address must be verified to release your order for shipment. If the ship to address is not the same as the bill to address, we must be able to confirm that the ship to address is an authorized ship to address. Please contact your credit card issuing bank to ensure the ship to address is authorized. If we are unable to verify either address, your order will be delayed, pending verification.
