Return Shipping Note

Thank you for choosing ATEC for your test equipment rental needs. When returning equipment, please take note that you as the customer are responsible for each of the following:

- Arrange return shipment to Advanced Test Equipment Rentals.
- Must ship equipment freight prepaid in a timely manner in accordance with Advanced Test Equipment Rental's "Terms and conditions."
- Insure equipment for full replacement value.
- Ensure equipment is well secured and adequately packaged with suitable packing material to prevent movement and damage. Suitable packaging may include crates, corrugated boxes, foam in place protection, poly foam, and/or bubble wrap.
- When crates are provided at initial receipt, return equipment in the crate(s) provided.
- All equipment should be returned to:

Advanced Test Equipment Corp.
Attn: Receiving
10401 Roselle Street
San Diego, CA 92121

Below are some freight companies that may be used for your return shipping needs.

For shipments less than (<) 70 lbs:

- FedEx (1-800-238-5355)
- UPS (1-800-742-5877)

For shipments greater than (>) of 70 lbs:

- TrumpCard Inc. Air Freight (1-800-496-2206)
- Yellow Freight (1-800-610-6500)
- FedEx Freight (Viking Freight) (1-800-845-4647 or 1-800-332-0807)

For local customers who require same day service (100 mile radius)

- Tech Freight (1-877-550-5077)

Note: Advanced Test Equipment Corp. does not endorse any of the above freight companies or assume responsibility for any resulting damages, late deliveries, or lost shipments. It is not required that any of the above freight companies are used. These are only some suggested companies that you might find suitable for your shipping needs.

Any additional questions about return shipping should be directed to our customer service department at customerservice@atecorp.com or by calling (800)-404-2832.
