Call For Speakers

Join us at SDTES

The San Diego Test Equipment Symposium offers chances to learn, and to meet engineers and industry professionals. Take this chance to be a part of fostering a full day of insightful dialogue and collaboration between industries, professions, and new talents.

Presentation Topics

We're looking for speakers who want to share their expertise in the following subjects:

- EMC Practices
- NDT
- Drones
- Electrical engineering
- Regulatory Compliance
- Industrial Hygiene
- Aerospace & Defense
- Data Center Infrastructure / AI
- Safety Applications
- Test and Measurement Sciences
- Product Design
- Communication and Network

Presentations shall be technical and scientific and must be related to the topics of the event. Please note that speakers will have **45 minutes** for their presentations and Q&A.

If demo equipment or special accommodations are necessary for the presentation, please email or call the event organizers.

For exhibiting inquiries, please contact Carmen Le at cle@atecorp.com
